### One-Stop Center Est 2020

Short & long-term shelter & helpline offering counselling, legal aid, vocational training & education for young girls & women

We have come a long way since 1989, when we started education programmes for children of sex workers & palliative care for people affected by HIV/AIDS. Our programmes are primarily for women & children affected by poverty & the commercial sex industry. We help to fight HIV & AIDS, end human trafficking, improve education for deprived children & campaign for justice.

Our mission remains to provide rescue, rights and rehabilitative services to the communities in most need. To offer a safe exit point to women and their children trapped in the crippling cycles of poverty & abuse.

## Projects: Non-Shelter
